**7th Annual Women's Meet – AWM 2022 (WM22EN07SN-032)**<https://venusinfo.org/research/2022/awm.html>**A. Basic Information**

Only around 30% of the world's researchers are women and they publish less and paid less. To reduce this gap, we must go beyond and identify the qualitative factors that deter women from advancing in research. Women advocating for women is very much essential in all disciplines.

The AWM provides a unique platform to have the voice of women researchers to raise broad awareness to the potential of the female intellectualism. It also promotes integration of women in Science and Technology.

The AWM 2022 (Event Type: Scientific Workshop) invites women researchers working in Institutions of Scientific, Academic or Industrial in the frontiers of Agricultural Sciences, Engineering, Health and Medical Sciences, Humanities and Social Sciences, Management, Science, and Veterinary and Animal Sciences.
